Snapshot report

Under the Investing for Success Agreement for 2016
Geebung Special School received (finalised amount) $58,385

Our full 2016 agreement can be found at: <insert link to 2016 agreement>

Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Increase teachers’ repertoire of effective strategies for accommodating the sensory processing and self-regulation of students so they can more effectively engage with the teaching and learning of literacy and numeracy
- Build teacher capability in gathering and using evidence to determine the different year-level curriculum students require and to develop and track individual learning goals

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 Investing for Success agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Review each students’ performance and engagement based on data collected and recorded in the specified areas at the end of each semester
- Review staff confidence in the use of pedagogy in the areas of Four Blocks Literacy Model and YuMi Maths 2016
